Eisteddfod/Competitions! 🐱🐱

We have some talented students entering competitions this year, and they've already begun their preparation! We'll keep you updated on their progress as they work towards these exciting events. If your child is interested in participating in eisteddfods/competitions, please have a chat with Miss Selena.

To enrol, students are required to attend at least two technique classes a week, along with a private lesson, and they must have a strong passion for working hard.
